Increase AP Accuracy with Automation

Don't let manual AP processes hold you back. Automate with OneSource Virtual.

On average, it takes **one hour** to process just **five paper invoices** manually.[2]

80% of businesses still use paper checks for invoices.[1]

Manual processing leaves room for errors, costing an average of **$53.50** each to fix.[3]

"Instead of putting out fires and being reactive, we're finally able to grow the company in a structured way."
