

Empower your workforce with a comprehensive digital wallet

To effectively recruit and retain employees, you have to offer the benefits people are looking for. Today, that means providing a pay experience that includes financial well-being solutions like earned wage access, tax-advantaged accounts, and more.

But without a convenient, unified solution, your employees are left juggling multiple apps — and dealing with the confusion of which app to access when. That's why OneSource Virtual created myFlexWallet. It's one app uniting access to pay information, earnings history, and financial well-being benefits.

Time & pay tracking

Earned Wage Access

Payroll Card

Pay by Paycheck

myFlexSpend accounts

"Our employees have reported better financial health, reduced stress, and fewer needed trips to payday loan providers as a result of the program. It's great to use as both a retention and recruiting incentive."

Brad McGerald,

Director of HR Ops Services, Altium Packaging on the benefits of flexible pay

Why myFlexWallet?

Single source of information

myFlexWallet is an all-in-one place for your employees to easily access information on their pay, time tracking, and CDH accounts.

Seamless integration

myFlexWallet is seamlessly integrated with Workday, ensuring consistent and secure data without the need for manual file transfers.

Industry-leading features

- ✓ Real-time pay tracking
- ✓ Earned wage access with free next-day transfers
- ✓ Payroll card
- ✓ Savings goal setting and management
- ✓ Consumer-directed health account visibility
- ✓ Access to special offers
- ✓ Robust roadmap with new features coming

Benefits for you:

- Attract and retain talent with in-demand financial well-being benefits
- Increase employee productivity and lower financial stress
- Expand your total rewards package with no added cost or complexity

Benefits for your employees:

- A simplified way to view, track, and manage earnings and pay related benefits
- Financial well-being tools to make the most of their earnings
- Flexible pay options and easy access to myFlexSpend (CDH) accounts
